TESTIMONIAL LETTER

*It's my absolute pleasure to recommend **Rev KABOYI Michel**, the Founder & CEO of Rhema Life Ministries.*

I have known him for more than ten years ago and I thoroughly enjoyed my time working with him.

During this period I came to know him as a truly valuable asset absolutely any team. He is honest, dependable, and incredibly hard-working young person.

Beyond that, he is an impressive trustworthy Godly steward and Gospel bearer. His knowledge of discipleship and stewardship principles and his expertise in ministry as a witness of Jesus Christ in his daily life is a huge advantage for the church at large aiming at contributing to its mission among the needy within an integral perspective and mind set.

He is a true team player, and always manages to foster positive discussions and bring the best out of other church ministers.
