Instructions: Use this form to write your autobiographical essay.

You need to describe your childhood, education, volunteer experiences, and church involvement including a statement of personal religious faith, your calling to the Christian ministry, summary of ministry experience and an assessment of personal qualifications and gifts for ministry. On top of that, you need to provide a brief statement of your Christian testimony and explain your view of God and how your faith is evident in your life.

I was born in 1986 from Christian parents, believing in God and Holy Trinity (God, Son and Holy Spirit). I have grown up in that discipline to obey the Lord, seek him and serve him for a lifetime. As wished, I went to school for primary and basic education, thereafter I joined Technical School where I got my diploma in Electricity A2, beside that I fully decided to follow Jesus Christ in year 2000 till now. I participated in different church services such as choir member, youth leader, Counselor for social subject matters, preaching the word of God for local church audiences, etc. So far, I am inspired to keep serving God through spreading the scripture to the world and using the spiritual gift received from God and able to help for people in need.

Nothing to compare to my saviour
Jesus Christ, my Almighty God. His
mercy, grace and support to me are
sufficient. God made me ~~be~~ who
I am today, I do believe to have
a transformed life, a new one in spirit
and moral life, because I put my
trust and faith in him, hence fantastic
change in my life.

All I need is in him, he is
my all in all. I will always
put my faith in him

Thanks
