You need to describe your childhood, education, volunteer experiences, and church involvement including a statement of personal religious faith, your calling to the Christian ministry, summary of ministry experience and an assessment of personal qualifications and gifts for ministry. On top of that, you need to provide a brief statement of your Christian testimony and explain your view of God and how your faith is evident in your life.

My name is Nsamenang Alexis, I was born in 1980 in a Christian family. My Parents brought me in the house of God while I was still young. I started nursery school in 1986, after one year, I joined my primary school. During all that period of time, God was with me and helped me to live in peace with my classmates. In addition to that, God had blessed me in knowing very well what I had been taught at school. My hobby was to play football.

I got saved at the age of 12 and from that time on, my life has changed. I started experiencing the presence of God in my life. During that time, I was baptized in the Holy Spirit before baptism of water. That was the most wonderful experience I had ever had in my Christian journey. This helped me a lot in my spiritual life growth and inspired in me the hope is to go to heaven.

Because of the history of my country, I didn't get chance to continue my secondary studies on time, but in 2004, by God's grace, I got the chance to start my secondary school, where I spent 6 years and I earned an A2 degree in human sciences. After the study, I got the chance to pursue Theology studies, where I got A2 degree in theology.

I joined the church in 1955 and engaged myself in voluntary works such as Cleaning activities, ushering, helping group of intercessors and preparation of different church documents. After, I was appointed to a position of a deacon in my church where I served the Lord at the same position for 10 years. From 1965 up to date I am serving the Lord at the position of an Evangelist at my church.

During the time that I have spent in God's service, I have found that serving the Lord requires total submission not relying on self but relying on God alone. Though there are many troubles and temptations in the way from different sources, but the Lord delivers his children in all.

Serving the Lord for me is not a shame but a blessing. I strive to spread the Good news to many people so that they will not be perished rather get eternal life. I always praise God for the grace that He offered to me without any price or considering my own works.

This programme will not only enable me to better discharge my duties as an evangelist, but also will provide me with advanced understanding of the Bible which is very important in the ministry of God.
