MY AUTOBIOGRAPHICAL ESSAY

I am a member of Free Methodist Church in Rwanda from my birth, because my Parents were members of Free Methodist Church .I was baptized in 1986 and I know Jesus Christ as my King and my Savior in 1991. When I was Student in Secondary School, I participated in different activities like singing in different choirs and different groups of prayers. After my Secondary studies, I continued to feel in God called me where I became Pastor until now .Now I am a leader in Free Methodist Church in KIBOGORA CONFERENCE, JURWE Parish. My purpose now is to change the sinners and to convince the People about the Kingdom of God up to my death.
