I am born in 1986 in southern province, Gisagara district, Save sector. I am one boy in four girls and my family was poor. During my childhood I used to be shy and I had a serious sickness but by the grace of God I got healed.

Concerning my study, I started late because of that sickness. I started primary in 1997 and I was good at school so I had never repeat the class. In 2003 I started secondary school and finished in 2009-2010 in (EKK) English, Kinyarwanda and Kishwahili with 37 point. So by the wonderful of God I started this University of world mission frontier in 2017, then I thank God for this.

Regarding to religious faith. I am born while my mother was born again and as long as I grow up I start following my mother to church, I did Sunday school and really when I get to secondary school I felt in me the calling of Evangelism. I started by that time and now I am yet evangelist without hands of Elders. In my church I get the time of preaching and anywhere else I sometime preach. So I am here, I still feel in me to continue this calling in every corner of the world where God shall send me for the Gospel.
