You need to describe your childhood, education, volunteer experiences, and church involvement including a statement of personal religious faith, your calling to the Christian ministry, summary of ministry experience and an assessment of personal qualifications and gifts for ministry. I was born in Karongi district Western province. I have been living with my mother and one brother four sisters, because father died when I was still baby.

After my primary school studies in 1981, I attended Dushit Presbyterian de Kirinda Secondary school where I got a certificate in accountancy (Commerce et Comptabilité) in 1993. And in 2002-2004, I attended Bible school in Eldoret Kenya where I got a diploma in theology.

I was born again in 1984 when I was in secondary school. I have received Jesus Christ as my personal saviour and truly transformed and became new creature. Since that time I began ~~and~~ winning souls to Christ. After my secondary school I was appointed as chaplain at secondary school. Then after I was appointed as pastor in my Church in order to achieve pastoral ministry activities.

Surely, I have chosen to believe in God and serving Him wholeheartedly and I hope to receive divine reward at the end of my life here, to live eternal life in heaven.
