Instructions: Use this form to write your autobiographical essay.

You need to describe your childhood, education, volunteer experiences, and church involvement including a statement of personal religious faith, your calling to the Christian ministry, summary of ministry experience and an assessment of personal qualifications and gifts for ministry. On top of that, you need to provide a brief statement of your Christian testimony and explain your view of God and how your faith is evident in your life.

I was born in 1975, I was a humble child, I was not a conflicting child. I respected all instructions of my parents and I obeyed all people. I studied primary schools, secondary schools and university in domestic and international laws.

At twelve years old I was convinced by protestant belief, at that age, I have been baptized and at fifteen I was elected for teaching one group of youth of my local church.

About my christian faith, I believe in Jesus christ the son of God, through believing in Him, we spend eternity with the lord in heaven.

I granted my calling to God who called me, and He will contribute to my works so that they may not be disappeared.

I have been in the ministry since 1990 - 2014, my role was evangelism and teaching in seventh day Adventist church. From 2015 till today, I exercise the same role in Emmaus pentecost church of Rwanda.

My personal qualifications are excellent and gifts for ministry is teaching the Gospel and my confession is that a saved person can be lost when He/she turns entirely over to devil.

My view of God is that God is merciful because He so loved the world, that He gave His only son, that whoever believes in Him should not perish, but have eternal life.

My faith is evident in my life because it deviates me from sin.
