**Instructions:** Use this form to write your autobiographical essay.

You need to describe your childhood, education, volunteer experiences, and church involvement including a statement of personal religious faith, your calling to the Christian ministry, summary of ministry experience and an assessment of personal qualifications and gifts for ministry. On top of that, you need to provide a brief statement of your Christian testimony and explain your view of God and how your faith is evident in your life

My name is Museruka JEAN BAPTISTE I was born in 1986, in southern province, Nyarufuru District, Rusenge Sector. In fact from my childhood, i could feel the extreme love of God to pushing me to do his work. and i could feel in my heart that i have to obey that voice talking to me to the work of God. my parent used to deny me to go to church but i could refuse and escape in order to go to pray.

i regularly attended Sunday school where our teacher instructed us how we will work for God as they used to give us many example of people who work for God, also I used to participate in children ministries where we would be taught how to serve God, i remember one teacher who used to give us an example of Jesus and Moses. in fact i attended may trainings of word of God. As i grew up i loved God very much and take the initiative of serving him with all my heart all the world.

so i started to engage myself in God's work whereby i led different choirs, group prayers, worship-teams etc. myself i had revelation telling me that i am empowered and anointed to do the work of God everywhere and every time so after seeing the vision i said " oh my God thank you for choosing me to do your work, i accept but you are the one to help me and to enable me because i am the man with fresh, blood and body" in that prayer my God consider what i asked and told me in the following word " oh my son i am the almighty am the beginning and the end be fortified i will inspire you, empower you and make you hard".

In fact I did my primary education at Bunge primary school which is located in southern province, Nyaruguru District , Rusenge Sector, After that I continued my secondary school in College of King Jesus, then after I went to my Education in Kigali Institute of Education. After that I worked in different institutions. And now days I am a students in University of World Mission Frontiers (UWMF)
