- My personality and my Experience.

## STATEMENT OF MY CHRISTIAN TESTIMONY

I was born in a Christian household. Saved by Grace of God and as dedicated Church-goers my parents practiced Proverbs 22:6, "Train up a child in the way he should go, and when he is old, he will not depart from it." Since the day I left the womb, I had been telling people I was saved, not only that, but I was getting saved all the time, without fighting with others, means to be Christian and love Jesus. In that time I told myself "I was going to heaven". When I returned from the Church, I told my parents the news, to other side DVSABE'S Calendar was changed, only the good fruits in my life. Up to now I'm on the way going to heaven, I need the power of God and I'm ready to serve HIM.
