Last/Family First Middle

Instructions: Use this form to write your autobiographical essay.

You need to describe your childhood, education, volunteer experiences, and church involvement including a statement of personal religious faith, your calling to the Christian ministry, summary of ministry experience and an assessment of personal qualifications and gifts for ministry. On top of that, you need to provide a brief statement of your Christian testimony and explain your view of God and how your faith is evident in your life.

I was born in a christian Seven day <sup>adventist</sup> family in 1971 and get baptised in 1997. I started my primary education in a Seven day adventist School from P1 to P3. From P4 to the end of primary education, I studied in a Pentecostist school. I started the God's work as a member of a students' choir when I was in Secondary education that school belonged to the Seven day Adventist church.

I did my University education in National University of Rwanda where I continued the God's work in a choir, but in addition to this, I introduced a new Evangelism System, I selected some important God's messages and wrote down them on brochures and distributing them to some of University Community starting from my classmates and others. After being Married in 2005, I stopped all religious activities not only at church but also at home. In 2011, I restarted hearing God's voice requesting me to come back to the God's work, receiving different messages from different people until the end of 2013.

In 2014, I decided to turn to God but not in my former church but in Pentecostist church.

I Repented my sins and I always repent my sins as soon as I committed sins as God's word says it.

I joined a Pentecostist Congregation and I have promised to serve my God from that period of time, I have come back to the God's house. The reason why I need to ~~attend~~ attend this school in order to extend my religious knowledge.
