I MICHAEL OCKLET Emmanuel I had born in Catholic family, I born with three sisters and one brother, I had born in Kigali city - Gasebu district, I studied in Catholic school in High school ordinary level (Jeune Seminaire St Vincent (NABEBA)), I continued Advanced level as well.

After all of that I summarized above I changed my religion (Church) from Catholic to the church mentioned in this document (Bethlehem Miracle church) because of many things.

Am married I have one wife and two children.

My vision is developing my knowledge about God and His Word written in Holy Bible. Because I know that if you don't understand things (Word of God) it is also not easy to put it in practice as the great job from Jesus is to preach the word of God in all corners of the world. That's why my vision is to understand proper the word of God so that I can serve others and putting it in action myself.

The reason of attending this school is that:

I know that I will meet people whom I can share ideas with and also I will meet the professors who are good to train me.

As I maintained that I want to go deeply in word of God, I thought that no way I can achieve that - Without joining this school and I heard the news tells me that your school (UWIMU) gives strong package of understanding (outstanding) the word of God.
